Letter No.4491 dated 4/6th May 1912 from the Senior Surgeon with the Government of Mysore to the Comptroller of Mysore, Bangalore.

Subs med 5-5-11
SC-20

In reply to your No.6520/T.A.M.1165 dated 27th April 1912, I have the honor to state that at the time, viz., the 25th August 1911 when I addressed my letter No.85/C to the Government, there were no doubt only 12 permanent and 3 temporary vacancies.

2. Government Order No.3078-9/Med.236-09-2 dated 30-10-11 increased the number of permanent vacancies available to 31.

3. There were, therefore, 31 permanent vacancies and 5 temporary vacancies. To fill up these, 17 permanent men and 3 temporary men have been taken and there are still 16 vacancies.

4. Those that have taken L.M & S., degree and those that are taken on a starting salary of Rs.30/- per mensem will be shewn in list A and the rest in a separate list B, so that the interests of the former might not be prejudiced by the entertainment of the latter. This procedure, I think, will thoroughly satisfy the spirit of Government Order No.3172-3/Medl.53-11-2 dated 2nd November 1911.

5. What with Cholera breaking out in different parts of the State and extra hands needed therefor and for extra dispensaries opened and to be opened viz., at Kannambadi Reservoir Works and Megarvally in Tirthahally Taluk, the department is greatly embarrassed and I trust technical difficulties of the kind (for which I maintain there is no ground) indicated in your letter under reply may not embarrass the Department still further.

6. With this hope I request you will be so good as to kindly issue necessary instructions to the Treasury in the matter of payment to K.Siva and to some others, as I may in consonance with Government Order, appoint hereafter.
